

Dear Share Crop Participants,

KelRae farms would like to welcome back our returning CSA participants, as well as, any participants new to the program! Open enrollment is now open for the 2018 CSA farming season. We offer full and half shares for our CSA program.

CONTRACT PRICES FOR 2018

Share Amount	Cost	What's included?	Duration
FULL	\$500	A half bushel of assorted, fresh produce grown at KelRae Farm.	Pick up once a week, for 12 weeks
HALF	\$390	A peck sized basket of assorted, fresh produce grown at KelRae Farm.	Pick up once a week, for 12 weeks

In addition, both share types will receive:

- ✓ A variety of melons (as soon as they are in season, which is typically the end of June/first of July)
- ✓ Participation in our fall and winter “pick your own crop”. These crops are planted for our members only. Members come out during the late fall/winter to pick vegetables that grow during the cold weather/light frost season. Our fall/winter crops usually consist of an assortment of greens, turnips, cabbage, broccoli and much more!

🌻 **Scheduled day for 1st pick up – Tues., 5/29** 🌻 **Scheduled day for last pick up – Thurs., 8/23**

Please note there are 13 weeks from the first pick up week to the last pick up week. Per your contract, there is one extra week included to compensate for a one week family vacation, therefore, no CSA produce will be picked up during our vacation week. Advance notice will be given for the week of our family vacation.

We offer pick up for our shares on either, **Tuesday** or **Thursday**, from **8:30 - 6:00 pm**. If the need arises and you need to adjust your time, please send a text to my cell, (757)532-9119, as soon as possible.

VERY IMPORTANT: *If you need to switch your day, please help us by notifying us 24 hours in advance to prevent your basket from being packed. You can notify us of this change via text or email. We try our best to be flexible and accommodate each member the best we can.*

Prior to the first week of basket pick up (around the end of May), I will send an email and text as a reminder of the start of the season. In addition, we will update our website (www.KelraeFarms.com), Facebook and Instagram (@kelraefarm) pages.

Additional produce, sunflowers, melons, fresh free-range eggs and KelRae honey will be available for purchase throughout our season during the time of pick up.
